~(Oh... uh huh, all you have to do is say the word--right there)~

I'm on it, I got it.
I can do anything.
What you need?
Got your back.
Just say the word i'm there.

If you find your world is cavin' in.
You can bet your gonna' need a friend.
(someone to take, to take those fears away)
Someone to take those fears away.

Say the word.
Make a call, and i'll be there.
Anytime, anywhere, have you heard?
That I'm all about saving your world.
All you have to do is say the word.

In trouble, in too deep.
This is a promise that I can't keep.
Make it right, count on me.
To be the best friend I can be.

(When your life is upside down i'll be the one to turn it around)
When your life is spinnin upside down, I'll be the one to turn it around.

Say the word.
Make a call, and I'll be there.
Anytime, anywhere, have you heard?
That I'm all about saving your world.
All you have to do is say the word.

*Oh, say the word.
Uh huh, say the word.
Oh, say the word.*

(If your world is cavin in, i'll bet your gonna need a

friend.

Someone to take, to take those fears away, away,
away)

If you find your world is cavin' in.

You can bet your gonna need a friend.

You will fly oh I will take your fears away.

Say the word.

Make a call and I'll be there.

Anytime, anywhere have you heard?

That I'm all about saving your world.

All you have to do is say the word.

You have the number call my name.

Pay your dime, got your beep, say the world.

Cause I'm all about saving your world.

All you have to do is say the word.
