do mi do mi do so mi do
Every truly cultured music student knows
You must learn your scales and your arpeggios
Bring the music ringing from your chest
And not your nose
While you sing your scales and your arpeggios

If your faithful to your daily practicing
You will find you progress is encouraging
Do mi so mi do me so mi fa la so it goes
When you do your scales and your arpeggios

Do mi so doi
(Fast piano music playing)

do mi so do do so mi do (Repeat)
Though it seems at first it doesn't show
Like a tree ability will bloom and grow
If you're smart you'll learn by heart what every artist
knows
Your must sing your scales
And your arpeeee ee eeggioooooooooos!
