I am a pirate!  
I am a pirate!  
Suave and dashing, sabers flashing,  
Bodies crashing, molars gnashing!  
What a pleasure,  
Seeking treasure!  
All the stealing, and concealing,  
And the keeling, what a feeling!  
Ah-ha-hah!

Take the sky by thunder!  
Thu-under!  
It is so wonderful to plunder!  
Plu-under!  
When a village needs a pillage,  
And my pockets need a fillage,  
You know what I'm saying?

We are pi-rates!  
Sky pi-rates!  
Just think of all the people we can cheat!  
What a great career,  
As a buccaneer!  
It keeps us in the air and off the street!  
Off the street!

We are pi-rates!  
Sky pi-rates!  
We're as good at being bad as bad can get!  
And the biggest prize,  
Stands before our eyes,  
To capture captivating Cape Suzette!  
Cape Suzette!  
Cape Suzette!!  
Cape Suzette!!!

(Baloo: "One...more...time!")
