There's somesthing sweet and almost kind
He was mean and he was coarse and unrefined
And now he's dear and so unsure
I wonder why I didn't see it there before

She glanced this way, I thought I saw
And when we touched she didn't shudder at my paw
No, it cant be I'll just ignore.
But then she's never looked at me that way before

New and a bit alarming
Who'd have ever though that this could be
True that he's no Prince Charming
But there's something in him that I simply didn't see

Well who'd have thought
Well bless my soul
Well who'd have known
Well who indeed
And who'd have guess they'd come together on their
own
It's so peculiar
We'll wait and see
a few days more
There may be something there that wasn't there before
There might be something there that wasn't there
before
There may be something there that wasn't there before
