"Something Was Missing"

I've made me a fortune, that fortune made ten
been headlined and profiled again and again
but something was missing, I never quite knew
that something was someone but who

my speeches are greeted with thundrous acclaim
with two universities bearing my name
but something was missing each time I got through
that something was someone but who

chorus:

who could that someone be, how could she make it
known
someone who'd love me for me, love me for me alone

(instrumental)

(dialogue between mr. warbucks and annie)

the world was my oyster but where was the pearl
who dreamed I would find it in one little girl
yes something was missing but dreams do come true
that someone was no one but you

who would love me for me, alone

the world was my oyster but where was the pearl
who dreamed I would find it in one little girl
yes something was missing but dreams do come true
that someone is no one but you
