### "Somewhere Out There"

Somewhere out there,  
Beneath the pale moonlight,  
Someone's thinking of me,  
And loving me tonight.

Somewhere out there,  
Someone's saying a prayer,  
That we'll find one another,  
In that big somewhere out there.

And even though I know how very far apart we are,  
It helps to think we might be wishing on the same bright  
star,  
And when the night wind starts to sing a lonesome  
lullaby,  
It helps to think we're sleeping underneath the same  
big sky!

Somewhere out there,  
If love can see us through,  
Then we'll be together,  
Somewhere out there,  
Out where dreams,  
Come true
