Your all covered with hot marshmallows.  
Your sticky and sweet you're my  
Number one thanksgiving treat. Oh yea. Whoo.  
My oh my, I love sweet potato pie!

You can keep your valentine  
Chocolates and your eggnog.  
Christmas nights yeah  
I want a sweet, sweet, sweet potato pie.  
Its this boy favorite holiday glass.  
Were going one more time...  
I said my oh my. I love sweet potato pie!

Now I've tried all the others but I don't give a dang  
About pumpkin, apple, or that lemon marange.  
Its dessert I dream about it's a holiday must  
It's the food of the angels its even in a crust.  
Yeah my oh my.. yeah I love sweet potato pie!
