(Verse 1)

If you could gize into the future(future, future)
You might think life would be a breeze(Life is a breeze)
Seeing trouble from a distance(yeah)(Go Rae)
But it's not that easy(Oh no)(Take it to the bridge now)

(Bridge)

I try to save the situation
Then I end up misbehaving

(Rap)

Hey, now,
Say, now,
Bout to put it down
Yeah, come on and ride with the break now
And the future looks great, now
And everything's gon change, now
Let's Rock

(Go Rae) (Let's go)

Yeah!

That's So Raven,
It's the future I can see
That's So Raven,
It's so mysterious to me

That's So Raven,
It's the future I can see
That's So Raven
It's so mysterious to me
YEAH!!!

That's So Raven,
It's the future I can see
That's So Raven,
It's so mysterious to me

That's So Raven,
It's the future I can see
That's So Raven

It's so mysterious to me
YEAH!!!
