Come on buddy
Get with the beat
Buzzin' me
You better believe it
They did the bup bup
They did the bup bup

("Colonel Hathi's March")
Hup, two, three, four
Keep it up
They did the bup bup

("I Wanna Be Like You")
Now I'm the king of the swingers oh
The jungle VIP
I've reached the top and had to stop
And that's what's botherin' me
I wanna be a man mancub
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around

Oh, oobee doo
I wanna be like you
I wanna walk like you
Talk like you
Too
You'll see it's true
An ape like me
Can learn to be
Human too

Gee cousin Loui you're doin real good

Now, here's your part of the deal cuz
Lay your secret on me of man's red fire

But i don't know how to make fire
Now don't try to kid me mancub
I made a deal with you
What I desire is man's red fire

To make my dream come true
Give me the secret mancub
Clue me what to do
Give me the power of man's red flower
So I can be like you

("The Bare Nessesities")
Look for the bare nessesities
The simple bare nessesities
Forget about your worries and your strife
I mean the bare nessesities
Old mother nature's recipies
That bring the bare nessesites of life
Wherever I wander
Wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the trees
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
Then maybe try a few

The bare nessesities of life
Will come to you
They'll come to you

Look for the bare nessesities
The simple bare nessesities
Forget about your worries and your strife
I mean the bare nessesities
That's why a bear can rest at ease
With just the bare nessesities of life

You
I wanna be like you
I wanna walk like you
Talk like you
Too
You'll see it's true
Someone like me
Can learn to be
Like someone like me
Can learn to be
Like someone like you
One more time
Can learn to be
Like someone like me
