Oh the world will sing of an English King  
A thousand years from now  
And not because he passed some laws  
Or had that lofty brow  
While bonny good King Richard leads  
The great crusade he's on  
We'll all have to slave away  
For that good-for-nothin' John

Incredible as he is inept  
Whenever the history books are kept  
They'll call him the phony king of England  
A pox on the phony king of England!

He sits alone on a giant throne  
Pretendin' he's the king  
A little tyke who's rather like  
A puppet on a string  
And he throws an angry tantrum  
if he cannot have his way  
And then he calls for Mum while he's suckin' his thumb  
You see, he doesn't want to play

Too late to be known as John the First  
He's sure to be known as John the worst  
A pox on that phony king of England!

While he taxes us to pieces  
And he robs us of our bread  
King Richard's crown keeps slippin' down  
Around that pointed head  
Ah! But while there is a merry man  
in Robin's wily pack  
We'll find a way to make him pay  
And steal our money back

The minute before he knows we're there  
Ol' Rob'll snatch his underwear  
The breezy and uneasy king of England  
The snivellin' grovellin'  
Measly weasely

Blabberin' jabberin'  
Gibberin' jabberin'  
Blunderin' plunderin'  
Wheelin' dealin'  
Prince John, that phony king of England  
Yeah!
