Many nights we prayed, with no proof anyone could
hear
In our hearts a hopeful song, we barely understood
Now we are not afraid, although we know there's much
to fear
We were moving mountains long, before we knew we
could

There can be miracles, when you believe
Though hope is frail, it's hard to kill
Who knows what miracle, you can achieve
When you believe, somehow you will
You will when you believe.

In this time of fear, when prayer so often proves in vain
Hope seems like the summer birds, too swiftly flown
away
Yet now I'm standing here, my heart so full I can't
explain
Seeking faith and speaking words, I'd never thought I'd
say

There can be miracles, When you believe (When you
believe)
Though hope is frail, It's hard to kill
Who knows what miracles, You can acheive (You can
acheive)
When you believe, somehow you will
You will when you believe

They don't always happen when you ask (uh)
And it's easy to give in to your fear (ooh)
But when you're blinded by your pain
Can't see the way clear through the rain
A small but still resilient voice
Says hope is very near

There can be miracles (Miracles)
When you believe (Oh When you believe)
Though hope is frail
It's hard to kill (Hard to kill)

Who knows what miracles
You can achieve (You can achieve)
When you believe (oooohhh)
Somehow you will (somehow somehow somehow)
Somehow you will (I no I no I no)
You will when you believe (when you)
You will when you, you will when you, believe
Just believe, just believe (ooh baby)
You will when you believe.
