GENIE:

There's a party here in Agrabah,
There's excitement in the air
People pouring in from near and far
'Cause Jasmine and Aladdin are gonna have a
"waddin"

There's a party here in Agrabah,
Everybody will be there
So if you're a pauper or a shah,
Do somethin' with yer hair!

You mustn't wear an outfit that's naughty
A turban that's unraveling just won't do
No earrings that are tasteless or gaudy
You're gonna look gorgeous when I get through

There's a party here in Agrabah
So I'm goin to paint de town
If you want to see what colors are,
Follow me around!

Aladdin's gettin' married, and it's gonna be
The wedding of the century
My buddy's gettin' married, and you're gonna see
Just how much I can do!

You've heard of your safari, bar mitzvahs, (Aah!)
Baba-tua-luau, a sweet sixteen (Huh!)
Well, none of them compare to what this is!
The food'll be disgusting, by evening you'll be busting!

There's a party here in Agrabah,
And it's got a color glow
If a street rat could've come so far,
Maybe I could do it
Sure, there's nothin' to it!

There's a party here in Agrabah,
But we're not sure that we'll go
For although the bride is lah-tee-dah,

The groom is awfully low

And now we take you down to the palace
Where everyone has celebrated all night long
Without Jafar and all of 'is malice,
Everybody's happy
What could possibly go wrong??

THIEVES:

There's a party here in Agrabah
And we're gonna rob 'em blind!

CASSIM:

While they're all munching caviar
Create a small disturbance,-a
