Come along,
Til there is sun shine shining when we find the silver
lining,
Come along.
Sing a song, when today becomes tomorrow,
Weather fine, joy or sorrow, sing a song.
Is it wrong?
To put our hopes together and wish for something
better, is it wrong?
To belong, to face the future with another who means
more than any other is to belong.
We'll paint the grey clouds with pretty rainbow hues,
And we'll brush the gloom away and save it for a rainy
day, rainy day,
Oh to save.
When troubles cast a shadow and shadows make the
sun afraid to stay,
It's ok, til there'll be sunshine shining and we'll
Find the silver lining another day.
Tomorrow is another day, how i hope you'll always stay.
