But I very seldom follow it.  
That explains the trouble that  
I'm always in.  
Be patient is very good advice,  
but the waiting makes me curious.  
And I'd love the change,  
should something strange begin.  
Well, I went along my merry way,  
and I never stopped to reason.  
I should have known there'd be a price to pay, some  
day.  
Some day.  
I give myself very good advice,  
but I very seldom follow it.  
Will I ever learn to do the things I should?

Chorus:  
Should I ever learn to do the things I should
