Chorus

To this small, little  
not too big, little homey  
Nice, little, quaint, little  
always kindly  
Old New England town  
Welcome

If you're new to the place  
And feeling uneasy  
Fret not a bit  
In this always, friendly  
old New England town  
Welcome  
Welcome  
To our family picnic  
July fourth picnic  
Independence Day!

Men

Whether next of kin or new-door neighbor  
Happily, we pool our labor to give our town a new face  
And when we're done, you'll never know the place

Chorus

At our family picnic  
July fourth picnic  
Independence Day  
There's a buzzing in the air  
Children running everywhere  
As all of us prepare  
For that once-a-year wonderful day  
And our spirits are so high  
Feels like Christmas in July  
As we pray the hours fly  
To that star-spangled  
Wonderful, wonderful, wonderful day

Female Puppies

We can hardly wait to bathe and dress up  
We love picnics we confess, yup!

Lady  
With Darling and with Jim Dear  
We've made a home from which we'll never roam

Tramp  
Why would we  
when we're so contented here?

Lady  
In this fine, little, not too

Female Puppies  
big, little, cozy  
warm, little, swell, little

Chorus  
Always loving  
Old New England home  
In our small, little, not too big  
little, honey, nice, little  
quaint, little  
Always friendly  
One town  
Welcome  
Welcome  
Welcome  
Welcome!
