THIEVES:

Congratulations, bub, you've joined the club  
And everybody here agrees  
We got the finest blend of nearly-honest men,  
Welcome to the forty thieves!!

A fraternity of thugs that you can trust  
There's nothing up our eighty sleeves  
Got lotsa grub to share  
Pull up an easy chair!  
Welcome to the forty thieves!!

Now you get to lie and cheat,  
Never hafta brush your teeth  
But we always aim to please  
Care for one another  
You'll never miss your mother

IAGO:

(Oh, I \*love\* you guys)

THIEVES:

Schemin' up a scam,  
Out on a limb,  
Takin' whatever we please  
And if you like to work  
You're gonna love this work!  
Welcome to the forty thieves!!

Welcome to the forty thieves!!

CASSIM and THIEVES :

Together we're the perfect team (Aaaah)  
Larceny is in the genes (Aaaah)  
Dare to share the family dream? (Aaaah)

IAGO:

Live a life o' leisure  
Countin' all yer treasure!

THIEVES:

As an honorary member of the gang,  
There's no one alive ever leaves,  
Ya gotta snatch and sneak  
Or else your future's bleak  
We got a lifetime contract dat yer bound to keep  
You wanna save your skin  
You better fit right in,  
Wel-wel-welcome to the,  
Wel-wel-welcome to the  
Forty thieves!!
