"What If"

Here I stand alone
with this weight upon my heart
and it will not go away
in my head I keep on looking back
right back to the start
wondering what it was that made you change

Well I tried, but I had to draw the line
and still this question keeps on spinning in my mind

What if I had never let you go
would you be the man I used to know
If I'd stay If you'd tried, if we could only turn back time
But I guess we'll never know...

Many roads to take
some to joy, some to heart-acke
any one can move away
and if I said that we could turn back
right back to the start
would you take the chance and make it change?

Do you think, how it would have been sometimes?
do you pray that I'd never left your side?

What if I had never let you go
would you be the man I used to know
If I'd stay. If you'd tried, if we could only turn back time
But I guess we'll never know...

If you want me to turn the hands of time
If I could turn it back would you stay as mine?
'coz I tried, but I had to draw the line
and still this question keeps on spinning in my mind

What if I had never let you go
would you be the man I used to know
What if I had never walked away
'coz I still love you more than I can say
If I'd stay. If you'd tried, if we could only turn back time
But I guess we'll never know...

we'll never know
