### "Why not"

You think your going nowhwere when your walking  
down the street  
Acting like you just don't care when life could be so  
sweet and why you  
Wanna be like that asif theres nothing new your not  
fooling no-one your  
Not even fooling you so walk a little slower and open up  
your eyes  
Sometimes it's so hard to see the good things passing  
by there may  
Never be a sign no flashing Neon Light telling you to  
make your move  
When the time is right (so)  
Why Not (why not) take a crazy chance Why Not (why  
not) do a crazy  
Dance if you lose the moment you might lose a lot so  
Why Not ,Why  
Not  
(why not take a crazy chance, why not take a crazy  
chance)  
You always dress in yellow when you wanna dress in  
gold instead  
Of listening to your heart you do just what your told you  
keep waiting  
Where you are for for what you'll never know so lets  
just get in to your car  
car and go baby go!(so)  
Why Not (why not) take a crazy chance Why Not (why  
not) do a crazy  
Dance if you lose the moment you might lose a lot so  
Why Not,Why Not  
Oh, I could be the one for you Oh, yeah maby yes maby  
no Oh, it  
Could be the thing to do what i'm saying is you gotta let  
me know...

You'll never get to haven or even to L.A. if you dont  
believe theres a way  
Why Not (why not ) take a star from the sky Why Not  
(why not ) spread  
you wings and fly Oh, it might take a little and it might

take a lot but Why Not,  
Why Not.
