Spoken:

But, Peter, how do we get to Never Land?

Fly, of course!

Fly!

It's easy! All you have to do is to...is to...is to--

Huh. That's funny!

What's the matter?

Don't you know?

Oh sure, it's, it's just that I never thought about it before.

Say, that's it! You think of a wonderful thought!

Any happy little thought?

Uh-huh

Like toys at Christmas? Sleight bells? Snow?

Yep! Watch me now--here I go!

It's easier than pie!

He can fly! He can fly! He flewed!

Now, you try

I'll think of a mermaid lagoon

Oh--underneath a magic moon

I'll think I'm in a pirate's cave

I'll think I'll be an Indian brave

Now, everybody try--one, two, three!

We can fly! We can fly! We can fly!

This won't do--what's the matter with you?

All it takes is faith and trust...oh!

And something I forgot--Dust!

Dust? Dust?

Yep! Just a little bit of pixie dust

Now, think of the happiest things.

It's the same as having wings

Let's all try it, just once more

Look! We're rising off the floor

Jiminy! Oh my! We can fly!

You can fly! We can fly!

Come on, everybody, here we go!

Off to Never Land!

Think of a wonderful thought

Any merry little thought  
Think of Christmas, think of snow  
Think of sleigh bells - off you go!  
Like a reindeer in the sky  
You can fly! You can fly! You can fly!

Think of the happiest things  
It's the same as having wings  
Take the path that moonbeams make  
If the moon is still awake  
You'll see him wink his eye  
You can fly! You can fly! You can fly!

Up you go with a heigh and ho  
To the stars beyond the blue  
There's a Never Land waiting for you  
Where all your happy dreams come true  
Every dream that you dream will come true

When there's a smile in your heart  
There's no better time to start  
Think of all the joy you'll find  
When you leave the world behind  
And bid your cares good-bye  
You can fly! You can fly! You can fly!

Spoken:  
There it is, Wendy, second star to the right  
and straight on 'til morning
