You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your warm, nice bed  
You just remember what your all pal said  
Son, you've got a friend in me  
Yeah, you've got a friend in me

You've got a friend in me  
You've got a friend in me  
You got troubles, then I got 'em too  
There isn't anything I wouldn't do for you  
If we stick together we can see it through  
'Cause you've got a friend in me  
Yes, you've got a friend in me

Now some other folks might  
Be a little bit smarter than I am  
Bigger and stronger too. Maybe  
But none of them will ever love you  
The way I do  
Just me and you, boy

And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me  
Yes, you've got a friend in me
