Come on
Buddy
Get with the beat buzzin' me
You better believe it they did the bup bup
("Colonel Hathi's March")
Hup two three four keep it up they did the bup bup
Somebody do something with that kid they did the bup
bup
Hup two three four keep it up they did the bup bup
("I Wanna be like you")
Now I'm the king of swingers
Oh
The jungle VIP
I've reached the top and had to stop
And that's what's botherin' me
I wanna be a man
Mancub
And stroll right into town
And be just like the other men
I'm tired of monkeyin' around
Oh
Oobee doo
I wanna be like you
I wanna walk like you
Talk like you
Too
You'll see it's true
An ape like me
Can learn to be human
Too
Gee
Cousin Loui you're doin' real good
Now here's your part of the deal 'cause
Lay the secret on me of man's red fire
But I don't know how to make fire
Now don't try to kid me
Mancub
I made I desire is man's red fire
To make my dream come true
Give me the secret
Mancub
Clue me what to do

Give me the power of man's red

Flower

So I can be like you

("The Bear Necessities")

Look for the bear necessities

The simple bear necessities

Forget about your worries and your strife

I mean the bear necessities

Old mother nature's recipes

That bring the bear necessities of life

Wherever I wander wherever I roam

I couldn't be fonder of my big home

The bees are buzzin' in the tree

To make some honey just for me

When you look under the rocks and plants

And take a glance at the fancy ants

Then maybe try a few

The bear necessities of life

Will come to you

They'll come to you

Look for the bear necessities

The simple bear necessities

Forget about your worries and your strife

I mean the bear necessities

That's why a bear can rest at ease

With just the bear necessities of life

You

I wanna be like you

I wanna walk like you

Talk like you

Too

You'll see it's true

Someone like me

Can learn to be

Like someone like me

Can learn to be

Like someone like you

One more time

Can learn to be

Like someone like me
