From the day we arrive on the planet  
And blinking step into the sun  
There's more to be seen that could ever be seen  
More to do that could ever be done

Some say eat or be eaten  
Some say live and let live  
But all are agreed as they join the stampede  
You should never take more than you give

(Chorus)  
In the circle of life  
It's the wheel of fortune  
It's a leap of faith  
It's the band of hope  
'Til we find our place on the path unwinding  
In the circle, the circle of life

Some of us fall by the wayside  
And some of us soar to the stars  
And some of us sail through our troubles  
And some have to live with our scars

There's far too much to take in here  
More to find than could ever be found  
But the sun rolling high through the sapphire sky  
Keeps great and small on the endless round

(Chorus 2x)
