(From Walt Disney's "One Hundred and One Dalmations")

Cruella De Ville, Cruella De Ville,
If she doesn't scare you no evil thing will.
To see her is to take a sudden chill.
Cruella, Cruella De Ville.

The curl of her lips, the ice in her stare;
All innocent children had better beware.
She's like a spider waiting for the kill.
Look out for Cruella De Ville.

At first you think Cruella is the devil,
But after time has wore away the shock,
You come to realize you've seen her kind of eyes
Watching you from underneath a rock.

This vampire bat, this inhuman beast,
She ought to be locked up and never released.
The world was such a wholesome place until
Cruella, Cruella De Ville.

(Repeat whole song)
