If I never knew you, if I never felt this love,
I would have no inkling of how precious life can be!
And if I never held you, I would never have a clue
How at last I'd find in you the missing part of me.

In this world so full of fears,
Full of rage and lies,
I can see the truth so clear in your eyes, so dry your
eyes.
And if I never knew (If I never knew you)
I would live my whole life through
Empty as the sky, never knowing why.
Lost forever, if I never knew you.
