Beware, beware, there's trouble in the air.  
A funny-looking bird is dropping presents everywhere,  
Oh you better beware, beware. It's useless to resist.  
You'd better have a care, maybe you're on his list!

He'll fly along in the stratosphere and do a loop the  
loop!  
And make a perfect landing right on your front stoop!

Look out for Mister Stork, that persevering chap,  
He'll come along and drop a bundle in your lap  
You may be poor or rich, it doesn't matter which  
Millionaires may get theirs like the butcher and the  
baker  
So look out for Mister Stork, he's got you on his list,  
And when he comes around, it's useless to resist.  
Remember those quintuplets and the woman in the  
shoe,  
Maybe he's got his eye on you!
