The second star to the right  
Shines in the night for you,  
To tell you that the dreams you plan  
Really can come true.

The second star to the right  
Shines with a light that's rare,  
And if it's Never land you need,  
It's light will lead you there!

Twinkle twinkle little star!  
So I'll know where you are.  
Gleaming in the skies above,  
Lead me to the one who loves me.

And when our journey is through,  
Each time we say good night,  
We'll thank the little star that shines,  
The second from the right...  
(My heart has wings...) (You can fly...)

We'll thank the little star that shines,  
The second from the right!
