Cinderelly Cinderelly
Night and day it's Cinderelly
Make the fire!
Fix the breakfast!
Wash the dishes!
Do the mopping!
And the sweeping and the dusting!
They always keep me hopping!
She goes around in circles till she's very, very dizzy
Still they holler, keep her busy Cinderelly!

We can do it, we can do it,
We can help our Cinderelly
We can make a dress so pretty
There's nothing to it really.
We'll tie a sash around it
Pull a ribbon through it
When dancing at the ball
She'll be more beautiful than all
In the lovely dress we'll make for Cinderelly

How lovely it would be
If I could live my fantasy
But in the middle of my dreaming
They're screaming at me.

Hurry, hurry, hurry, hurry
Gotta help our Cinderelly
Got no time to dilly dally
We gotta get it going

I'll cut it with these scissors
And I can do the sewing
Leave the sewing to the women
You go get some trimming
And we'll make a lovely dress for Cinderelly
Yes, we'll make a lovely dress for Cinderelly!
