I saw a peanut stand, heard a rubber band,  
I saw a needle that winked an eye,  
But I think I will have seen everything  
When I see an elephant fly.

I saw a front porch swing, heard a diamond ring,  
I saw a polka dot railroad tie.  
But I think I will have seen everything  
When I see an elephant fly.

I saw a clothes horse rear up and buck!  
They say that a man made a vegetable truck!  
I didn't see that, I only heard,  
But just to be sociable, I'll take their word!

I heard a fireside chat, saw a baseball bat,  
And I laughed til I thought I'd die,  
But I think I will have seen everything  
When I see an elephant fly (look out! )  
When I see an elephant fly (look out! )  
When I see an elephant fly!
