"Will The Sun Ever Shine Again?"

Rain is pouring down like the heavens are hurting,
Seems like it's been dark since the devil knows when,
How can you go on, never knowing for certain
Will the sun ever shine again?

Feels like it's been years since it started to thunder,
Clouds are camping out in the valley and glen,
How do you go on when you can't help but wonder,
Will the sun ever shine again?

What if the rain keeps falling?
What if the sky stays gray?
What if the winds keep squalling,
Never go away.

Maybe soon the storm will be tired of blowing,
Maybe soon it all will be over, amen.
How do you go on, if there's no way of knowing,
Will the sun ever shine? Wish I could say,
Send me a sign, one little ray!
Lord if you're listening, how long until then?
Will the sun ever shine again?
