When destiny calls you, you must be strong,  
It may not be with you, but you've got to hold on.  
You'll see in time I know you.  
We'll show them together cause  
You'll be in my heart, you'll be in my heart,  
(I'll be there) From this day on, now and forevermore.  
You'll be in my heart, no matter what they say.  
(I'll be with you) You'll be here in my heart always.  
Always, I'll be there for you always,  
Always and always.  
Just look over your shoulder.  
Just look over your shoulder.  
Just look over your shoulder.  
I'll be there always.
