You've got a friend in me,
You got a friend in me.
When the road looks rough ahead,
And you're miles and you're miles from your nice warm
bed.
You just remember what your old pal said,
Hon, you've got a friend in me!
Yeah, you've got a friend in me!

You've got a friend in me,
You've got a friend in me.
You got troubles, well, I got 'em too.
There isn't anything I wouldn't do for you.
If we stick together, we can see it through
Cause you got a friend in me.
You got a friend in me.

Now, some other folks might be a little bit
Smarter than I am,
Bigger and stronger too.
Maybe. But none of them will ever love you
The way I do,
Just me and you, pal,
And as the years go by,
Our friendship will never die.
You're gonna see it's our destiny.
You've got a friend in me.
Yeah you've got a friend in me.
You've got a friend in me.
