Gonna shout it from the mountaintops  
A star is born  
It's a time for pulling out the stops  
A star is born  
Honey, hit us with a hallelu  
The kid came shining through  
Girl, sing the song  
Come blow your horn  
A star is born

He's a hero who can please the crowd  
A star is born  
Come on ev'rybody shout out loud  
A star is born  
Just remember in the darkest hour  
Whithin your heart's the power  
For making you  
A hero too  
So don't lose hope when you're forlorn  
Just keep your eyes  
Upon the skies  
Ev'ry night a star is  
Right in sight a star is  
Burning bright  
A star is born

Like a beacon in the cold  
A star is born

Todd ya ev'rything would turn out right  
A star is born  
Just when ev'rything was all at sea  
The boy made history  
The bottom line  
He sure can shine  
His rising sign is  
Capricorn  
He knew 'how to'  
He had a clue  
Telling you  
A star is born

Here's a hero who can please the crowd  
A star is born  
Come on ev'rybody shout out loud  
A star is born  
Just remember in the darkest hour  
Whithin your heart's the power  
For making you  
A hero too  
So don't lose hop when you're forlorn  
Just keep your eyes  
Upon the skies  
Ev'ry night a star is  
Right in sight a star is  
Burning bright  
A star is born
