I have often dreamed  
Of a far off place  
Where a hero's welcome  
Would be waiting for me  
Where the crowds will cheer  
When they see my face  
And a voice keeps saying  
This is where I'm meant to be

I'll be there someday  
I can go the distance  
I will find my way  
If I can be strong  
I know ev'ry mile  
Will be worth my while  
When I go the distance  
I'll be right where I belong

Down an unknown road  
To embrace my fate  
Though that road may wander  
It will lead me to you  
And a thousand years  
Would be worth the wait  
It might take a lifetime  
But somehow I'll see it through

And I won't look back  
I can go the distance  
And I'll stay on track  
No, I won't accept defeat  
It's an uphill slope  
But I won't lose hope  
'Till I go the distance  
And my journey is complete

But to look beyond the glory is the hardest part  
For a hero's strength is measured by his heart

Like a shooting star  
I will go the distance  
I will search the world

I will face it's harms  
I don't care how far  
I can go the distance  
'Till I find my hero's welcome  
Waiting in your arms

I will search the world  
I will face it's harms  
'Till I find my hero's welcome  
Waiting in your arms
