Somebody lied to me  
It just can't be  
You can't be gone forever

Somebody got it wrong  
You were gonna love me  
All my life

Weren't we good together  
Now I'm on my own  
And I don't think I'll ever  
Learn to love one day alone

So I'm never gonna say goodbye  
Say goodbye is something  
I can't bring myself to do

'Cause as long as  
I don't say goodbye  
Darling, I know  
Part of me will  
Always be with you

What am I gonna do  
Having you was all  
I ever wanted, wanted

Where am I gonna go  
To feel the way I felt  
Inside your arms

Still, my life is better  
Loving you as I do  
Thanks for being with me, darling  
Thanks for being you

Whoa, I'm never gonna  
Say goodbye (say goodbye)  
Say goodbye (say goodbye)  
It's something I can't  
Bring myself to do

'Cause as long as  
I don't say goodbye  
(Say goodbye)  
Darling, I know  
Part of me will  
Always be with you

Oh, I'm never gonna  
Say goodbye (say goodbye)  
Say goodbye (say goodbye)  
It's something I can't  
Bring myself to do

'Cause as long as  
I don't say goodbye  
(Say goodbye)  
Darling, I know  
Part of me will  
Always be with you

With you, oh, oh
