I don't mind
(No, no, no, no)
No, no, no, no
If I don't eat

I don't mind
(No, no, no, no)
No, no, no, no
If I don't sleep

'Cause I live on love
And I thank God above
After you, baby, hey, hey
Nothing else matters no more

I don't need
(No, no, no, no)
No, no, no, no
Silver or gold

Don't need a fire
(No, no, no, no)
When I get cold

I've got your love to keep me warm
Free from hurt or harm
I need you, babe, hey, hey
Nothing else matters no more

Nothing means more in this world
Than to get the love from my girl
I said, yeah
(Yeah, yeah, yeah, yeah)
Oh, yeah
(Yeah, yeah, yeah, yeah)

I need the world, the action
I'd give my soul satisfaction
After you, sweet baby
Nothing matters to me no more

Because I don't mind

(No, no, no, no)
No, no, no, no
What people say

I don't have time, baby
(No, no, no, no)
For folks that play

'Cause every minute, every hour
My love is growin' into a steel-strong power
After you, baby, hey, hey
Nothing else matters to me

It don't matter
No, it doesn't matter
No, no, no, no, no

(It don't matter)
It doesn't matter, no
It doesn't matter, no
(No, it doesn't matter)
It doesn't matter, no, no, yeah, yeah

(It don't matter)
Believe me when I say this, oh, yeah
(No, it doesn't matter)
It doesn't matter to me, y'all

(It don't matter)
I'm not gonna waste my time on it 'cause
(No, it doesn't matter)
It doesn't, it doesn't, it doesn't
(It don't matter)

Girl
(No, it doesn't matter)
Oh, yeah, yeah, yeah, yeah, yeah, yeah
(It don't matter)
