Nothin' from nothin' leaves nothin'
You gotta have somethin'
If you wanna be with me
Nothin' from nothin' leaves nothin'
You gotta have somethin'
If you wanna be with me

I'm not tryin' to be your hero
'Cause that zero is too cold for me, brrr
I'm not tryin' to be your highness
'Cause that minus is too low to see, yeah

Nothin' from nothin' leaves nothin'
And I'm not stuffin'
Believe you me
Don't you remember I told ya

I'm a soldier in the war on poverty, yeah
Yes, I am

[Instrumental Interlude]

Nothin' from nothin' leaves nothin'
You gotta have somethin'
If you wanna be with me
Nothin' from nothin' leaves nothin'
You gotta have somethin'
If you wanna be with me

You gotta have somethin'
If you wanna be with me
You gotta bring me somethin' girl
If you wanna be with me
