Old man river said, "You can go your own way
If you just leave him alone 'cause your man's out"
Do not deliver all your things today
We are going home

Mama we're now so hungry
Mama we're now so hungry
Mama we're now so hungry now
We're now so hungry, yea

'Cause I got bats in the belfry
I'm in the kitchen boiling society
I'm in the open catching all the leaves
We all see what we want, yea

Old man river said, "You can go your own way
If you just leave him alone 'cause your man's out"
Do not deliver all your things today
We are going home

Mama we're now so hungry
Mama we're now so hungry
Mama we're now so hungry now
We're now so hungry, yea

'Cause I got bats in the belfry
I'm in the kitchen boiling society
I'm in the open catching all the leaves
We all see what we want, yea

I have a crazy idiosyncrasy
It's affinity to serendipity
And in this eternal epiphany
No hypocrisy or duplicity

Mama we're now so hungry
Mama we're now so hungry
Mama we're now so hungry now
We're now so hungry, yea
Oh yea

I got bats in the belfry

I'm in the kitchen boiling society
I'm in the open catching all the leaves
We all see what we want

I got bats in the belfry
I'm in the kitchen boiling society
I'm in the open catching all the leaves
We all see what we want
