So you thought we were over  
Surprise, surprise  
WeÂ're not going anywhere

So you fell on your sword again  
Tell me what the views like  
Deep down in your carpet

You were straight, you were straight now youÂ're  
twisted  
YouÂ're right, youÂ're right  
Burn the joint to leave the waking

(hello, surprise)  
DonÂ't you turn, turn out your light  
(hello, surprise)  
Surprise, surprise

(hello, surprise)  
DonÂ't you turn your day into night  
(hello, surprise)  
Surprise, surprise

We all prayed, we all prayed youÂ'd rise again  
From the hard shoulder  
What the doctor ordered

Gotta fix, gotta fix whatÂ's not broken  
All broke, all broke, IÂ'm busted  
Hey twenty one and overs

(hello, surprise)  
DonÂ't you turn, turn out your light  
(hello, surprise)  
Surprise, surprise

(hello, surprise)  
DonÂ't you turn, your day into night  
(hello, surprise)  
Surprise, surprise  
Still not satisfied  
Still not satisfied

Still not satisfied  
Still not satisfied

Falling backwards into darkness  
Loving, reckless, hiding distress  
Iâ€™ve got a message for you  
Youâ€™re the one who makes it come true

(hello, surprise)  
Donâ€™t you turn, turn out your light  
(hello, surprise)  
Surprise, surprise

(hello, surprise)  
Donâ€™t you turn, your day into night  
(hello, surprise)  
Surprise, surprise  
Still not satisfied  
(hello, surprise)  
Still not satisfied  
Still not satisfied  
(hello, surprise)  
Still not satisfied  
Still not satisfied  
Still not satisfied  
Still not satisfied  
Still not satisfied  
Still not satisfied
