Let it be known
To all your misbelievin'
What you've been seein'
That we will not stand
Will not be mistaken
We'll go there leave this weakness
Don't take this from me
We'll go there leave this weakness
'Cause I have been waiting

[CHORUS:]

Lo we are not so we're on a mission
Lo we are not so we're on a mission
Lo we are not so we're on a mission
Lo we are not so we're on a mission

To be so well, oh well, the way I see

(Oh steady goes)
Damn this, damn that
There'll be no talk of turnin' back

Damm this, damn that
There'll be no talk
We will fly sometimes
We will find our own way
We will fly sometimes
We will find our own

[CHORUS]

To be so well, oh well, the way I see

We are not so
We are not given
We are not sold on what we have seen
We are not so
We are not given
We are not sold on what we have seen

We're going, we're going to fly away, never come back
We're gone, we're gone

The list is long, we are many strong
The ceilings are coming down

[CHORUS]
