They were looking for me when I came to
They were looking for me when I came back
Said hey you, you're looking, very suspicious
I said relax man, get off my back
I said relax man, get off my back.

I, I, I ain't opposed to seeking justice
But you're going about it all, wrong
The man you're looking for does not exist
He's just a figment of the higher man's tongue.

Chorus:
And they say
Open up, we're coming inside
You can't run, so you might as well hide
We got the place covered from head to toe, head to toe
Open up, we're coming inside
What's it feel like to know you're gonna die
On the other side of the row
On the other side of the row
On the other side of the row
Yeah

So they took me down to the gallows
Woah
And this boy, he say to me
Why do you smile, when the rope's around your neck?
I said I tell you boy when I get back
I said I tell you boy when I get back

I, I, I ain't opposed to seeking justice
But you're going about it all wrong
The man you're looking for does not exist
He's just a figment of the higher man's tongue.
He's just a victim of the higher man's song.
Chorus
And they say
Open up, we're coming inside
You can't run so you might as well hide
We got the place covered from head to toe, head to toe
Open up, we're coming inside
What's it feel like to know you're gonna die

On the other side of the row
On the other side of the row
On the other side of the... row

Hands above your head
Que te vaya bien
Step out the line and we'll fill you with lead
How are we to know that you are not a liar
Hey
Don't you see we have a job to do
And our job is the law, job is the law
You fit the description of a criminal crosser
Hey
We believe that he is you, and that is your flaw
That is your flaw
That is your flaw
That is your flaw
That is your flaw
That is your flaw...

And they say
Open up, we're coming inside
You can't run so, you might as well hide
We got the place covered from head to toe, head to toe
Open up, we're coming inside
What's it feel like to know you're gonna die
On the other side of the row
On the other side of the row
On the other side of the row
On the other side of the row...
