(One two three)

What's real these days
Am I your friend
I wanna run, run
From all my foes
Hey I'm still, still
So alone
Got news for you boy
Got news for you boy

I'm on the other side
You don't know
You can't tell
I'm on the other side
I'm all dressed up
In disguise
Well it's easy they say
You just smile the day away
Yeah, yeah, yeah

So push away what hurts
We'll show you a drink
To hold, hold
Yet I hold you in
And you give, give them
All they need
While you choke on
While you choke on

I'm on the other side
You don't know
You can't tell
I'm on the other side
I'm all dressed up
In disguise
Well it's easy they say
You just smile the day away
Yeah, yeah, yeah

Crossing your heart
Won't be easy this time

When you raise your trembling hands
And swear away
Swear away your life, yeah

When will life change for me
Could you answer that
I wanna crawl, crawl on a new shore
And know, know what's on my chest
Rest my heart
Rest my heart

I'm on the other side
You don't know
You can't tell
I'm on the other side
I'm all dressed up
In disguise
I'm on the other side
I'm all dressed up
In disguise
Well it's easy they say
You just smile the day away
Yeah yeah yeah

The other side
The other side
The other side
The other side
The other side
You just smile the day away
Yeah yeah yeah
