Would you be the wind
To blow me home?
Would be a dream
On the wings of a poem?
And if we are walking through a crowd,
Well you know I'd be proud

If you'd call my name out loud
If you'd call my name out loud
Do you suppose that I would come running?
Do you supposed I'd come at all?

I suppose I would
And if we were walkin down a dead-end street
Would you be the one to let our eyes meet?
Or would you just keep on walking down to the
turnaround?
Cause you know I would be proud
If you'd call my name out loud
If you'd call my name out loud
Do you suppose that I would come running?

Do you supposed I'd come at all?

I suppose I would
From the land we know

Would you be there, darling?
And If I was gone
Would your beauty still show?
In the cold night coming
And if you were out walking
Would you call my name?
Cause you know I would come running
If you'd call my name out loud
If you'd call my name out loud

Do you supposed I'd come at all?
Do you suppose that I would come running?
You know I would (x4)
I'd come running (x2)
If you'd call my name out loud
