Drop into the mystery of a whip  
Speak, repeat, I'm not listenin'  
Sit up undress...  
we'll do the rest  
tongues as long as hallway carpets.

I ride a tear...  
through this world and disappear.  
I ride a tear...  
through this world and disappear.

Take all your bones  
and make a new throne.(?)  
Ice in your eyes,  
is getting too cold. (too cold)  
See the flame figure  
in the window.  
She's got her word...  
to say.

I ride a tear...  
through this world and disappear.  
I ride a tear...  
through this world and disappear.

Drop into the mystery of a whip  
speak, repeat, im not listenin'.  
situp undress...  
we'll do the rest,  
tongues as long as hall way carpets.

I ride a tear...  
through this world and disappear.  
I ride a tear...  
through this world and disappear.

Through this world and disappear  
through this world and disappear  
through this world and disappear  
through this world and disappear  
through this world and disappear...
