A forgotten whisper screams at me now
So that i dont forget how
To sit like a child on my mothers knee
How dare that child be me
And its trot trot to boston
And its trot trot to lyn
And trot all the way home again
But dont let me fall in

Cause im sliping through your legs
I'm sliping through your legs
I'm sliping through your legs
I'm sliping through your legs

So race me up the loft
Up the ladder untill i get lost
And let you be an arms length away
So you can wake me and tell me of the day

Cause we trot trot to boston
And trot trot to lyn
And trot all the way home again
But dont let me fall in

Cause im sliping through your legs
I'm sliping through your legs
I'm sliping through your legs
I'm sliping through your legs

So where are you going did you fallow me?
And how could you see so well? So well

You were helpless like a dove at bay
But what did you say
When he pulled it out
Did you shout, did you shout
O did you shout

Cause im sliping throught your legs
I'm sliping through your legs
I'm sliping through your legs
I'm sliping through your legs

So where are you going?
Did you fallow me?
And how could you see so well? , So well
You were helpless like a dove at bay
But what did you say when he pulled it out
Did you shout, did you shout, did you shout

And the way it goes, and I cant remember
And the way it goes, and I cant remember
And the way it goes, and I cant remember
And the way it goes, and I cant remember
And the way it goes, and I cant remember
And the way it goes, and I cant remember
