And I will walk with you
Using the stars as guides
On a homeward path we go
Knowing our time is nigh
I will walk
To be with you
All Iâve done
To be with you
So put your hand in mine
And lay your head to rest
Weâll light the candles now
They wonât be lit for long
We will know our day was blessed
Iâ... Iâ... will walk
To be with you
All Iâve done
All Iâve done
Just to be with you
I â...
And I will walk with you
Using the stars as guides
On a homeward path we go
Knowing our time is nigh
I will walk
To be with you
All Iâve done
And I say
I â...
To be with you
To be with you
To be with you
