A whirlwind came into my life and he tried to rescue me
Will you come, will you go

Will you tell seriously
Twisting burning, my thoughts turning, back to you
again
Sweet thing, take me to the end

You'd better dig and take a look inside yourself
That you left your land, to trade for a place, so far
away,
So the story goes, and so I've heard it said,
And at the ceiling of my feeling, backed up against the
wall,
So out of date, that only you could understand
Sweet thing, you know I'd fall in line
You'd better dig and take a look inside yourself

I want to know
She wants to be free
She wants to be free
I want to know
Yeah
A whirlwind came into my life and he tried to rescue me
Will you come, will you go

Will you tell seriously

Twisting burning, my thoughts turning, back to you
again

Sweet thing, take me to the end
I want to know
She wants to be free
She wants to be free
I want to know
Yeah (uh huh yeah yeah)
