I once had a dream, I woke up in a scream  
Darkness wherever I see, the terror is surrounding me  
A second round, no sleep to be found  
Restless time in bed, while evil ideas are made

NIGHTMARE! Unstable nights are here  
NIGHTMARE! Haunted by my past  
NIGHTMARE! Crawling in my sweat  
NIGHTMARE! I can't find the light of dawn

I once had a dream, all turned into green  
Fighting my ghost, kept inside, me as the host  
Warmer nights, can't find the lights  
A deadly whisper reaches my ear, I got much to fear!

NIGHTMARE! Unstable nights are here  
NIGHTMARE! Haunted by my past  
NIGHTMARE! Crawling in my sweat  
NIGHTMARE! I can't find the light of dawn

WICKED DREAMS  
WICKED DREAMS  
WICKED DREAMS  
WICKED DREAMS, YEAH!

I once had a dream, but I'm now out of screams  
I feel like a whore, but I can resist no more  
The horror turns into pain, I'm getting insane  
I end up in a pile, but I went down with a smile!
