I fell deeper and deeper as light now was gone  
I could feel the dark embrace my soul  
Agony was no more, and so was pain  
At this point of solitude I knew I was there...  
There where I belong  
Thus far a long journey through my soul's infinity  
It has been a journey far beyond mortality  
I have found what I wanted, tranquility  
I'll thrive on evil, eternally  
I flew over crystal ground  
My existence numb  
Over orchards of grievance,  
Sorrow and tears  
This beautiful silence...  
Calls me now  
Black fog devours me but I can see it all  
The monument of my past,  
The land of the seven horizons' before my eyes  
I reach the land of spiritual rest  
It's the dawn of descending  
-I am the Somberlain  
Down to evil devine domain  
Lord of infernal, gather my strength  
Carry me through the gates  
It's the dawn of descending  
-I am the Somberlain  
Down to evil divine domain  
For I'm eternal night  
-I'm the Somberlain  
Precede my evil domain
