There's a little boy out in the driveway  
His basketball in hand  
Saying daddy can we play a little one on one  
You pat him on the back and say not now son  
Im a busy man  
His sisters out on the sidewalk  
Setting up a lemonade stand  
Hey daddy don't you want to buy a glass from me  
You say maybe later can't you see  
Im a busy man  
You got to go, got to run  
Hit it hard and get it done  
Everyone can see you're going far  
You got responsibilities  
A crazy schedule that you keep  
And when you say that times a wasting  
You don't know how right you are  
Busy man  
There's a woman in the bedroom crying  
Saying i thought we had plans  
You say honey im sorry I'll make it up  
When the job slows down and im not such  
A busy man  
You got to go, got to run  
Hit it hard and get it done  
Everyone can see you're going far  
You got responsibilities  
A crazy schedule that you keep  
And when you say that time's a-wasting  
You don't know how right you are  
Busy man  
Have you ever seen a headstone with these  
words  
"If only I had spent more time at work"

There's a call one day from the office  
They need you down in Birmingham  
You say no way, the weekend's mine  
I got plans with the kids and a date with my wife  
I'm a busy man

You got to go, got to run

Take a break and have some fun  
Those that love you most  
Say you've come far  
Got some new priorities  
In that schedule that you keep  
And when you say that time's a-wasting  
Now you know how right you are  
Busy man
