I've been on the road since I was a kid
I was born to lead this life I live
Fate placed me among the chosen few
I'm a man with a mission, got a job to do

Rock this planet
Rock this planet
The world meeds rockin'
And I ain't stoppin' 'til it's done

Well I'd love to stay baby but I've got to run
People everywhere need to have some fun
I've got the message that'll set 'em free
The whole dang world is depending on me to...

Rock this planet
Rock this planet
The world meeds rockin'
And I ain't stoppin' 'til it's done

We did a show in Tokyo, they ate it up
Paris and Rome couldn't get enough
When we were done in London, we were Berlin bound
We cranked it up until the wall came down

Rock this planet
Rock this planet
The world meeds rockin'
And I ain't stoppin' 'til it's done

Rock this planet
Rock this planet
The world meeds rockin'
And I ain't stoppin' 'til it's done
